GREEN  
+ BENZ

Seven years since their launch, Green & Benz have gained international recognition for being at the forefront of contemporary jewellery design. Specialising in platinum, the most expensive metal on the market, their collections attract both men and women craving bespoke, stylish and unique pieces.

Boasting an impressive portfolio of necklaces, earrings, bracelets, rings and cufflinks, you're guaranteed to find something that tickles your fancy. In fact, their reputation often precedes them, with customers traveling from all over the world to their Sheffield gallery, desperate to purchase that extra special engagement ring or one-off gift.

Using their technical understanding and wealth of experience, Green & Benz also commission tailor-made jewellery based on personal requirements, so that you can create the perfect bespoke piece. With such a dedicated fan base, the business has continued to expand with new stores opening in the Triangle Centre, Manchester and Glumangate, Chesterfield. Alternatively, you can view their collections online at [www.greenandbenz.com](http://www.greenandbenz.com).

Green & Benz is @ 71 Division Street, Sheffield, S1 4GE Tel: 0114 270 6366
