GOOD SHOES

FABULOUS
SHOES THAT
LEAVE A SMALL
FOOTPRINT

Make like Natalie Portman at the Oscars and Golden Globes and wear a pair of glamorous, comfortable, alternative shoes from the Sui Generis range by **Beyond Skin**. Shown left is *Molly*. Shoes are handmade from vintage fabrics – such as 1920s tapestry and 1940s damask – sourced in the UK and start at £277

www.beyondskin.com

These **Georgina Goodman** shoes for **Can Couture** are made with passion, energy and vision – not to mention recycled drinks cans Georgina has collected. The heel is beautifully twisted metal, and each pair is recyclable

Gorgeous, feminine *Amia*, *Imari* and *Rina* shoes from **Hetty Rose** are made with vintage Japanese kimono fabric – remnants of a vanishing world. Shoes are handmade for the wearer, have wooden heels and include recycled leather. £320 per pair

www.naturalstore.com

Levi's® **Horse Recycled** shoe gives vintage Levi's® jeans a second life. Each pair is unique. Available from October 2007 from selected UK stores including John Lewis
