

25TH ANNIVERSARY ISSUE

WEDDING

OCTOBER/NOVEMBER 2010 £4.90

My wedding, my way

Now I'm planning my wedding, I thought I'd share some of the things I've been looking at for my big day

This bright, patchwork bag, £38, from **Accessorize**, will be perfect for my honeymoon hand luggage

I'm a big fan of Ori Kiey prints, and this mug, £7, is already on my wedding gift list at **John Lewis**

Giving guests cones filled with petal confetti will make a great photo opportunity. These Kaleidoscope confetti cones cost £60 for 50, from **Shropshire Petals**

These Tibetan earrings, £33, by **Anusha**, will make a striking finishing touch to my wedding dress

These vintage bottles, £2.95 each, from **www.dotcomgiftshop.com**, are a great way to display single blooms

Bright windmills, £5.50 for 16, from **Talking Tables**, will add colour and movement to my reception

How cool are these heels by **Hetty Rose**? They're called Kimi and are definitely worth splashing out £380 on!
